

St Luke's RC Primary School

RHE

Subject Intent

At St Luke's RC Primary School, we support the children's development in this area through the TenTen 'Life to the Full' Scheme of Work, which embraces and fulfils the new statutory curriculum. The entire teaching is underpinned with a Christian faith, understanding that our deepest identity is as a child of God- created, chosen and loved by God. The name TenTen comes from the Scripture passage John 10:10- *'I have come that they might have life and have it to the full.'*

The programme is taught with a spiral approach to learning in which pupils will revisit the same topics at an age-appropriate stage through their school life. It includes teaching about personal health, physical and emotional well-being, strong emotions, private parts of the body, personal relationships, family structures, trusted adults, growing bodies, puberty, periods, life cycles, the dangers of social media, where babies come from, an understanding of the Common Good and living in the wider world.
