The Wednesday Word

THE GOSPEL IN CHURCH Sunday 4th February 2024

On leaving the synagogue, Jesus went with James and John straight to the house of Simon and Andrew. Now Simon's mother-in-law had gone to bed with fever, and they told him about her straightaway. He went to her, took her by the hand and helped her up. And the fever left her and she began to wait on them. That evening, after sunset, they brought to him all who were sick. The whole town came crowding round the door, and he cured many who were suffering from diseases of one kind or another; he also cast out many evil spirits, but he would not allow them to speak, because they knew who he was. In the morning, long before dawn, he got up and left the house, and went off to a lonely place and prayed there.
